The fields that are required are marked with an asterisk. Other questions are requested by our funders to help them understand the people we are serving and used to improve our service by knowing our customers better. This information is for statistical purposes only and will not be reported individually.

Filling out your address will allow you to search for the providers closest to you.

You will only be able to add 2 children at first (choose the youngest and oldest to start). You can add more children by clicking "Client Data" in the top bar.

The only options that will give any results are "Child Care Center" "Family Child Care" and "School Age Program"

For the best results, only choose 1 type at a time. After your first search you can pick different options by clicking "Client Data" in the top bar.

This information is given to our funders but your name is never given.

Click "Register" to continue your search.
