Thank you for your interest in ESD 112 and our Early Care and Education department. Early Care and Education promotes school readiness efforts through individualized services that benefit children. We assist families, child care providers and community partners in providing quality early learning programs and professional development opportunities throughout the ESD 112 region. Our vision is to uphold our shared responsibility to foster growth and resilience in young children, families, educators and the community through individualized, high-quality programs.

Position Description:

Under the general direction of the ECE - Relationship Based Professional Development Manager, this position plans and delivers training for program staff, child care providers, and Pre-K-3 educators of Southwest Washington. This position will be full-time, year-round. This position may include remote work options, as determined by the Program Manager.

Minimum Qualifications:

- Bachelor's degree or higher in Early Childhood Education, Elementary Education or a closely related field and the ability to obtain level 4-5 State Training and Registry System (STARS) Trainer status within six months of hire
- One year of experience working in a classroom
- Experience developing and delivering training curriculum in person and through virtual platforms
- Experience using Microsoft Office software
- Bilingual in Spanish/English
